MEMORANDUM FOR: Director of Central Intelligence
VIA: Acting Deputy Director for Plans
SUBJECT: Secret Senate Session on Laos
and Moose/Lowenstein Report

1. This memorandum is for your information.
2. Attached is an advance copy of the declassified version of the Moose/Lowenstein report on Laos. It will be released tomorrow morning. The declassified transcript of the discussion on the Senate floor will be printed in the Congressional Record Wednesday morning.
3. This version is within the guidelines provided by the Administration, although it obviously puts a great deal more in the public record than has previously been released. I expect there will be some press inquiries to Jake Goodwin on the subject of this report. I would suggest he simply say that we have nothing to add to what has been declassified in the report.
